

Give New Zealand's goddess of gin.

Juno Gin Corporate Gift Packages

Seasonal Four Pack
4x 200ml Seasonal Gin

Known for charming the most ordinary occasion into something magical. A hand-selected, harmonious blend of pure Taranaki mountain water and the finest botanicals and spices.

The key to the perfect gin is the quality of the ingredients. From our extra neutral spirit, thrice distilled, to the robust juniper and golden coriander, only the best is selected.

For our seasonal variants, we use what is fresh, plentiful and unique to each season in our corner of the South Pacific.

We are working with New Zealand horticulturalists to sustainably grow and harvest all our botanical ingredients, establishing new crops for future growth.

Lovingly distilled in Taranaki, Juno makes the perfect gift for the people in your life who deserve the best.

DISTILLERY TOURS

Bring your team to where all the magic happens!

Juno founders, Dave and Jo James, will guide you on a 2-hour tour through the New Plymouth distillery. You'll learn the gin-making process and how incredible and intricate flavours are extracted from locally sourced botanicals.

Oh yes, and there'll be lots of gin tasting and delicious canapes to match.

Call us to book your team (max. 30 people per visit).
Prices on application.

Make Your Own Gin

Unique label design, and flavour profile.
